

FERNANDO DIAZ » DINING ROOM

A bronze and glass table is surrounded by linen/silk blend fabric covered chairs—all from Kravet. Jardin Céleste pattern plateware by Raynaud is paired with Scof B-CHIC flatware for table settings. A painting on the mantel and a sculpture—both from Founders Gallery—provide artful complements.

OPPOSITE » PAUL L'ESPERANCE & DALEN CORY » GRAND ENTRY

The Rhino chair by Máximo Riera graces the grand entry. L'Esperance Design's chrome lanterns hang from a wall covered in L'Esperance Design's Tenuta Berroni Collection fabric.
